Prayer by Anthony Gannam for the 1985 Family Reunion at Fort Screven

O Lord, our God, Almighty and Merciful Father, look upon this flock, the descendants of Karam Gannam whose Matriarch is his daughter, Mary, and bless them.

Bless them and their spouses and offspring and let them prosper in thy sight and in thy care.

Bless all those of us who are unable to be here today and those who are in communion with us. Let no dissention or contention divide us or gossip or scandal bring bitterness or discord among us, but let Thy love and our love for one another bind us and unite us into a stronger family.

Help us to overlook each other's failings and shortcomings and to see each other's strength as part of us.

Bless this food that each has offered and thou has given us - bless it to our bodies and bless us who have given ourself to Thy service and the service of each other.

We ask this in the name of our Lord and Savior, Thy son,
Amen.

Special thanks to all the photographers and to Iris and David who, many years ago, digitized the photos in the old photo albums. Without all of you, this could not have been possible. Kim
