DEBBIE RIDGEWAY

NINAGENE JARRELL

I want to extend to all of my pupils my appreciation of their cooperation, and to the mothers I owe in no small measure the success that has been accomplished, and I extend to each of them, my thanks, and appreciation.

I also wish to express my appreciation for the cooperation of Mrs. Ned Green, pianist.

There are many students who are not taking part in this revue on account of illness. I want them to know they are missed, and we wish them a speedy recovery.

I will spend several weeks during the Summer in New York, studying, and attending the Dancing Masters of America, and National Association of Dance and Affiliated Artists, Inc., where hundreds of Teachers from the United States and Canada gather each year for the exchange of ideas and methods. I will return for the fall opening, September 1st, better prepared to give Savannah the latest in all types of dancing.

Faithfully yours,  
MARYLIN

You profit by studying at the Distinguished School of the Dance. There is probably no profession today that is more dignified, more rich in opportunity, or more lavish in its rewards than dancing.

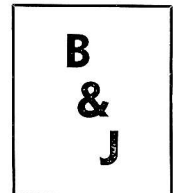

**FOR HEALTH, PLEASURE OR PROFIT**

Miss Youmans is a member of the following Associations: Dancing Masters of America, Dance League of America, Florida Society of Dancing Teachers, Georgia Association of Dancing Teachers, National Association of Dance and Affiliated Artists, Inc.

Costumes — Designed by Mrs. Geo. Lawton Youmans
