

Conversion Table from old address system to current system for east-west running streets. New system adopted November 1896.

Old Address	Would fall between these streets	Current block designation
1-17	East Broad and Houston	600 Block East
18-32	Houston and Price	500 Block East
33-48	Price and Habersham	400 Block East
49-64	Habersham and Lincoln	300 Block East
65-84	Lincoln and Abercorn	200 Block East
85-105	Abercorn and Drayton	100 Block East
106-124	Drayton and Bull	00 Block East
125-144	Bull and Whitaker	00 Block West
145-164	Whitaker and Barnard	100 Block West
165-184	Barnard and Jefferson	200 Block East
185-200	Jefferson and Montgomery	300 Block East

EVEN numbers, north side – ODD numbers, south side.

Note: These numbers matched consistently on most streets, but occasionally differed and are accurate here to within one to two digits in such cases. Some streets, however, gradually leave the pattern: i.e. – Bay Street, which reached 225 by Montgomery.
